LOVE-HENRY

EXCELLENT BOY,

HENRY

Dear Henry,  
You are a very important  
presence in the lives of many  
people and I hope you know that.  
I'm one of them and I wish it were  
more clear sometimes. Your  
birthday isn't when I give you this  
card but likely soon. You know,  
you are a bright star like above and it  
shows in so many ways.  
One of them is: your work.  
Another is: your smile.  
and an even other one is the way you  
speak. Is this an avalanche of  
compliments? I hope it's not overwhel  
ming. Happy Birthday dear Henry. -t

WHAT WOULD I DO  
WITHOUT HENRY?
